Kenmore Elite® Counter-Depth Side-by-Side Refrigerator Model 51853/7 Product Facts

The Kenmore Elite 21.8 cu. ft. Side-by-Side Refrigerator features premium styling with a counter-depth design that fits seamlessly into the kitchen. In addition to the modern design, the refrigerator features adjustable shelves and an in-door water and ice system to maximize space, as well as an advanced cooling system to separate climates to keep food fresh.

The fashionable black stainless steel design will help any kitchen stand out from the crowd. The finish is satin-smooth and low maintenance, specially designed to be smudge- and fingerprint-resistant.

Key Features:

- **Spacious Storage** with 21.8 cu. ft. capacity and space-saving features to maximize room.
- **Large Ice & Water Dispenser** features a tall design with the capacity to fill large pitchers, coffee pots and water bottles with ease.
- **NSF-Certified* Filtration System** reduces contaminants such as chlorine, lead, mercury and cysts for great-tasting water and ice.
- **SpacePlus In-Door Ice System** places the entire ice making and dispensing process in the door to free up valuable freezer shelf space.
- **Multi Air Flow Technology** ensures that temperatures stay even throughout the fridge and the freezer stays frost-free.
- **Linear Compressor** quickly responds to temperature changes to keep the refrigerator and freezer temperatures more consistent, and helps food stay fresh longer.
- **Dual Crisper Drawers** are deep and spacious so there's plenty of room to keep produce fresh, organized and easy to find.
- **ENERGY STAR® qualified** to help save money and energy.
- **Counter-Depth Design** sits nearly flush with the countertop for a sleek, stylish appearance in the kitchen.
