## Kenmore Elite® 6.1 cu. ft. Gas Double Oven Range

### PRODUCT FACTS

#### Product Overview:

The Kenmore Elite Gas Range stands up to everyday challenges, including busy families and little kids, and lets you cook more. It features spacious double ovens, a large cooktop with five sealed burners and continuous grates. Electronic LED touch controls with scrolling display make it easy to set temperatures and change settings.

The fashionable black stainless steel design will help any kitchen stand out from the crowd. The finish is satin-smooth and low maintenance, specially designed to be smudge- and fingerprint-resistant.

#### Key Features:

- **Double-oven range** features a quick-heating upper oven for smaller meals or sides, plus a standard oven on the bottom – both can be used individually or simultaneously at different temperatures to handle a variety of cooking tasks
- **True convection cooking** eliminates hot spots and spreads heat evenly using fan convection to circulate hot air throughout the oven for more even cooking, browning and flavor
- **Turbo Boil® Gas Burner** delivers 17,000 BTUs of heating energy providing an impressively fast boil time
- **Low temperature self-clean** makes oven clean up a cinch without strong chemical fumes or high heat – simply spray the oven interior with water, press Lo Temp Clean and after 20 minutes easily wipe away grime
- **Included Non-Stick Griddle accessory** is the perfect tool to cook pancakes, eggs and grilled sandwiches to perfection
