Kenmore Elite® Dishwasher with Window PRODUCT FACTS

Product Overview:

The Kenmore Elite® Dishwasher features a modern window giving you a view the cleaning power in action, with a sleek design that fits into any kitchen décor. It includes an assortment of exclusive wash features like 360° PowerWash® Plus technology and MicroClean™ Wash System to deliver peak cleaning performance. This dishwasher is designed to clean so quietly that your dishes get clean without disrupting your other activities.

Key Features:

- **Modern front window** allows users to see the dishwasher in action, with an elegant, bright LED light inside that illuminates when the cycle is complete
- **TurboZone® with Rotating Spray Jets** features four powerful rotating jets to tackle baked-on, caked-on messes
- **TurboZone® Reach** is an exclusive feature from Kenmore that uses spray jets to clean deep inside bowls, bottles and glasses in the upper rack, leaving no corner left unclean
- **MicroClean™ Wash System** is an innovative filter feature that delivers peak cleaning performance in a shorter cycle to help save time and water
- **360° PowerWash® Plus technology** uses a full-coverage spray pattern for more effective cleaning, plus an exclusive backward and forward action to hit dishes from every angle
- **SmartDry™ Plus technology** chooses the best dry cycle for better drying performance, which means no more wiping dishes dry before putting them away
- **Quiet cycles** at just 44 dBA gets dishes clean without the noise of standard dishwashers
