## Kenmore Elite® Pedestal Washer

### Product Facts

#### Product Overview:

Disguised as an everyday pedestal, the Kenmore Elite Pedestal Washer pairs with compatible front load washers so you can wash two different loads at the same time. The main tub is the workhorse taking on big, bulky family-size loads, while the versatile mini washer gives the option to wash a separate load: whites, colors, delicates, hand washables and workout wear for whatever wash load you have. With the Kenmore Elite Pedestal Washer on your side, you can divide and conquer your laundry—and the rest of your day—like never before.

#### Key Features:

- **Wash two loads at the same time** by running the Kenmore Elite Pedestal Washer simultaneously with your main washer
- **Smart Motion™ Technology** blends up to three different wash motions, providing customized care and cleaning to meet the needs of a variety of fabrics
- **Durable stainless steel wash tub** prevents nicks that could snag delicate fabrics; perfect for special care items
- **Six custom cycles** provide the perfect balance of cleaning and fabric care, plus a rinse and spin cycle for pretreating stains and a clean washer cycle to keep the tub fresh
- **Kenmore Connect™** gives this appliance the ability to communicate directly with Kenmore's specially trained technicians to help troubleshoot issues quickly and efficiently
- **Inverted Direct Drive Motor** produces less noise and vibration while offering outstanding durability and a long lifespan
- **Compatible** with all current Kenmore and Kenmore Elite Front Load washer as well as models produced since 2009
