Kenmore Elite® Top-Load Laundry Pair

Product Facts

Product Overview:

The Kenmore Elite® Top-Load Laundry Pair takes on your biggest loads as the largest capacity set from the brand yet. The washer's exclusive Quad-Action Impeller® helps you achieve clean clothes in less time, while the dryer's SmartDry technology monitors moisture to provide the ideal dry. This laundry pair is also ENERGY STAR® Certified which means that in addition to saving time, you'll also save money and energy while helping to protect the environment.

Key Features:

- **Largest capacity laundry pair** ever released by Kenmore, with a 6.2 cu. ft. washer and 9.2 cu. ft. dryer
- **Fastest-cleaning washer** in its class, limiting the amount of time spent on laundry*
- **Accela Wash™ technology** activates a fast and powerful wash sequence to get the largest size loads cleaner faster; a 49 minutes cycle with a 20 lb. load without compromising performance
- **Quad-Action Impeller** is exclusive to Kenmore, and uses four wash actions (flex fin action to provide optimal movement, along with spraying, impeller and wash basket actions) to get your laundry cleaner, faster
- **SmartDry Ultra technology** means no more damp laundry, heat damaged fabrics or babysitting the dryer thanks to dual heating, a temperature monitor and two moisture sensors to achieve the ideal dry
- **Steam Sanitize** is NSF-Certified and uses steam to help eliminate up to 99.9% of certain household bacteria without harsh chemicals
- **ENERGY STAR Certified** helps save money and energy
