Kenmore® 50 Pint Dehumidifier

Product Facts

Product Overview:

The Kenmore® 50 Pint Dehumidifier suits the needs of a growing number of homes with second-floor laundry rooms, finished basements, home offices and master baths and spas that require carefully balanced humidity levels for comfort and safety.

Key Features:

- **50 Pint dehumidification Capacity** removes up to 50 pints of water from the air daily (best for rooms up to 500 sq. ft.)
- **19.2 Pint Bucket Capacity** ensures ease of operation by making the water emptying process easier and less frequent
- **Water Level Indicator** allows users to check the liquid level in the water bucket at a quick glance
- **Cleancel™ Antimicrobial Coating on Bucket** directly infused on the water bucket surface inhibits the development of bacteria, fungi and dust mites
- **Exclusive Quick-Connect, Double Seal Drain Hose** prevents leaks with easy installation
- **Worry-Free Automatic ShutOff** prevents bucket overflow with and shows a “bucket-full” indicator light
- **Electronic Controls with Four Convenient Settings** allows users to choose from a three, six or 12-hour cycle, featuring a delay start and target humidity setting
- **Quiet Operation** while maximum operation goes unnoticed

Available Models/Dimensions:

- Model: 55550
- Dimensions (W X H): 14.6” X 22.6”
- Weight, Shipping (Approx.): 40 lbs.

MSRP: \$249.99
