Kenmore Elite® 4.5 cu. ft. Front-Load Washer with Accela-Wash® & Steam Treat® Technologies Kenmore Elite® 7.4 cu. ft. Front-Load Dryer with Steam Refresh™ Technology

Product Facts

The Kenmore Elite® 4.5 cu. ft. Washer with Accela-Wash® technology & 7.4 cu. ft. Dryer Front Load with Steam Refresh™ Technology offer excellent capacity, efficiency and performance to make doing laundry less of a chore.

Key Features:

- **Accela-Wash® Technology** washes clothes in under 30 minutes* to get full-size loads clean in less time
- **4.5 cu. ft. Capacity Washer** handles family-sized loads and bulky items like blankets and comforters
- **Smart Motion® Technology** makes one-size-fits-all washing a thing of the past. The Direct Drive Motor blends up to six different wash motions, providing customized care and cleaning to meet the needs of a variety of fabrics
- **Sanitize Wash Cycle** is NSF®-certified and helps make clothes germ-free by eliminating 99.9% of common household bacteria, naturally, without chemicals like bleach**
- **Steam Treat®** option virtually eliminates the need to pretreat stains by tackling common tough, set-in messes with the deep cleaning power of steam
- **Cold Clean®** cycle uses cold water to clean clothes as effectively as warm-water cycles, while using less energy
- **7.4 cu. ft. Capacity Dryer** offers space to effectively dry large, bulky items
- **Steam Refresh™ Cycle** means fresh, dry, ready-to-wear clothes in just 20 minutes
- **Dual Sensor Drying Technology** monitors the dryness of the load and adjusts temperature and cycle time accordingly. When it senses fabrics are dry, it automatically ends the cycle to avoid over-drying to reduce wear and tear on clothing
- **Optional Drawer Pedestals** make loading and unloading more comfortable and offer a convenient place to store laundry products
