## Kenmore Elite® 700 Series 5 Burner Dual Fuel Gas Grill Product Facts

### Product Overview:

The Kenmore Elite® 700 Series 5 Burner Dual Fuel Gas Grill is a combination of superior performance and style. It features a cast iron side burner that allows for slow cooking sauces or side dishes while grilling the main course. The warming rack alongside generous grilling space keeps food warm and fresh all day. This grill also transitions seamlessly from neighborhood block parties to nighttime barbecues with two halogen lights built into the firebox.

### Key Features:

- **Offers 791 sq. in.** of total cooking area
- **Five Burners Totaling 60,000 BTUs** of primary cooking power, plus an additional 12,000 BTUs each for the infrared rotisserie and slow cooking rear burners, infrared searing side burner, and the sauce/side dish side burner, totaling 96,000 BTUs
- **LED Control Panel with Two Built-In Halogen Lights** adds a trendy glow to your outdoor space and allows for easy-to-see settings after the sun goes down
- **Two Stainless Steel Side Shelves** keep cooking preparation simple with food an arm's reach away
- **Motorized Rotisserie Kit** makes roasting for a huge crowd hassle-free and delicious
- **Two Stainless Steel Cooking Grids** allow you to prepare your best entrees
- **Dual Fuel System** allows you to connect to your home's natural gas line so you never have to worry about running out of propane (conversion kit required and sold separately)
- **Automotive Style Thermometer** allows easy reading of cooking temperatures
- **Tank Gauge** allows propane users to monitor propane gas levels and to know exactly when to replace the propane tank
- **Self-Closing Cabinet Doors** add a touch of elegance to your barbeque
