Kenmore Elite® Hidden Control Dishwasher with TurboZone™ Reach Upper Rack Wash System Product Facts

Product Overview:

The Kenmore Elite® Hidden Control Dishwasher with TurboZone™ Reach Upper Rack Wash System provides corner-to-corner cleaning in the upper rack to reach deep inside the bottoms of bowls, bottles and glasses, and get every last dish cleaned right the first time. It also runs at only 39 dBA so you can hold a whispered conversation while standing right next to it, without compromising cleaning performance.

Key Features:

- **Exclusive TurboZone Reach™ + 3D Wash** system uses 24 spray jets to power-clean stuck on foods inside bowls, bottles and glasses in the upper rack, reaching every corner of the dishwasher so there's no pre-soaking or scrubbing
- **39 dBA** is so quiet that users might not know the dishwasher is running
- **Exclusive 360° PowerWash® Spray Arm** reaches deep into the corners of the dishwasher, blasting dishes from all angles to get every last dish sparkling clean
- **Lower Wash Only Option** for lighter loads
- **SmartDry™** option automatically adjusts the drying cycle with the right amount of drying heat and energy for each load by detecting moisture in the tub
