Kenmore PRO® 1.8 cu. ft. Over the Range Microwave Product Facts

Product Overview:

The new Kenmore PRO® 1.8 cu. ft. Over the Range Microwave with multi-stage cooking and 10 power levels provides an easy way to cook, defrost or warm everything from gourmet meals to leftovers. This microwave features impressive professional design with fast cooking and outstanding, even baking results, coming with built-in sensors that make sure food is heated properly. A quiet but powerful 400 CFM ventilation system prevents undesirable odors.

Key Features:

- **Evenness Plate™ and Diamondback Evenness™ Technologies** enhance the distribution of microwave energy inside the oven by scattering and reflecting the microwaves for outstanding, even cooking and defrosting
- **Convection Cooking** browns and crisps food on the outside while cooking food quickly and evenly throughout using a 100 to 450 degree heating element and circulating fan
- **10 power levels** means heating or cooking everything from frozen entrees to popcorn
- **Precision Sensor** detects the amount of moisture inside the oven and automatically adjusts the cooking time for optimal results
- **Strong 400 CFM Ventilation** and four fan speeds provide a variety options and air-moving power
- **Bright White LED Lighting** for easy view of what's cooking and sleek design

Available Models/Dimensions:

- Model: 89393
- Dimensions: (W X H) 30" X 17.6"
