Kenmore PRO® Hidden Control Dishwasher Product Facts

Product Overview:

The Kenmore PRO® Hidden Control Dishwasher features superb cleaning technologies including wall-to-wall and corner-to-corner coverage, faster drying and better cleaning power to get dishes done right the first time. Keeping convenience top-of-mind, 1-24 hour start delay allows users to start loads when it is most convenient.

Key Features:

- **Exclusive 360° PowerWash® Spray Arm** reaches deep into the corners of the dishwasher, blasting dishes from all angles to get every last dish sparkling clean
- **Exclusive TurboZone® with Rotating Spray Jets** includes four rotating jets to power-clean stuck on foods, while two stationary jets spray a concentrated wash to reach into the deepest corners in the back of the bottom rack so there's no pre-soaking or scrubbing
- **SmartDry™** option automatically adjusts the drying cycle with the right amount of drying heat and energy for each load by detecting moisture in the tub
- **Fully Integrated Display** with enhanced user interface includes capacitive touch with point LED lighting, plus updates including cycle wash, dry and completion status
- **45 dBA** means operation is so quiet it doesn't interrupt a hushed conversation
