Kenmore® Small Room HEPA Filter Air Purifier

Product Facts

Product Overview:

The Kenmore® Small Room HEPA Filter Air Purifier improves indoor air quality by capturing 99.97% of airborne particles including pollen and dust mites. This air purifier keeps convenience top-of-mind, providing home owners time-saving features like electronic controls, filter change indicators, a low speed whisper for quiet operation, and an integrated transport handle.

Key Features:

- **HEPA Filtration System** captures 99.97% of particles as small as 0.3 microns from entering a room's air space for a fresh, allergen-free living area
- **Quiet Operation** creating less than 29db on low speed makes it ideal for nurseries and bedrooms
- **Pre-Filter Change Indicators** takes the guesswork out of remembering when to change filters
- **Custom Settings** including fan speed, program timer and optional ionizer (the third cleaning stage that assists in particle removal and freshens the air) with the touch of a button
- **ENERGY STAR® qualified** to help save energy and money

Available Models/Dimensions:

- Model: 83394
- Dimensions: (W X H) 12.12" X 14.4"
- Weight, Shipping (Approx.): 10 lbs.
- Colors available: White

MSRP: \$119.99
